Communications Data Group Announces New Company Image

CHAMPAIGN, IL -- CDG is excited to announce the unveiling of our new company image! CDG's updated and modernized image will be rolled out over the remainder of 2009 and the beginning of 2010 through the introduction of a new company website, transitional advertising, email and print campaigns, and upcoming regional and national conferences. With the introduction of our new logo and branding, updated interfaces for our Modularity Billing System (MBS) and Carrier Access Billing System (CABS), as well as our new Hosted Services and end-to-end CABS services, CDG is ready for the future of telecommunications billing and data management. Keep your eye out for the new CDG. Now our image is as fresh as our ideas.

About CDG:

CDG provides smart data solutions: CABS, Mediation, Customer Care, Plant, Trouble, Service Activation Manager, E-Care, company workflow management and third-party financial, mapping and facilities management products, business consulting and hosted back-up services. Full-service, on-line, and licensed options available. CDG can help you manage information, bill wisely, and grow your business.
