WHY IPPAY?

IPpay was founded to solve Card-Not-Present (CNP) issues for recurring payments for WISPs and ISPs. IPpay's platform was born out of necessity in this industry and provides simple implementation and seamless integration that allows merchants to benefit without negative impact to Subscribers. IPpay offers month-to-month agreements, no early termination fees, a low-to-zero-cost gateway fee, tokenization, expired card billing services, and uninterrupted recurring transactions.

IPpay is your single-source solution for processing payments in your growing WISP or ISP business. Make Cash Flow with IPpay by logging on to www.Ippay.com or by calling our Account Managers at (561) 469-0689.

IPpay LLC is a member of the ConVergence Technologies, Inc. family of Companies, founded in 1995 to be a single-source solution for WISPs and ISPs.
