### **CDG Promotes Philip Goble to CIO Position**

CHAMPAIGN, IL – Communications Data Group, Inc. (CDG) announces the promotion of PHILIP C. GOBLE to Chief Information Officer. Mr. Goble's responsibilities include developing strategic plans and implementing the objectives of the information technology needs of the company. He will oversee the development, design, and implementation of new applications and changes to existing systems and software products to accomplish the company's goals and objectives.

Philip Goble most recently served CDG as Vice President of Product Development for its subscriber billing system, MBS. Mr. Goble has 30 years of technical and management experience developing telecommunications billing and customer care solutions and once served as Vice President or Director of ITDS, CSC Intelicom and BankIllinois Co. He has a Bachelor of Science degree in Computer Management from Eastern Illinois University.

#### **About CDG:**

CDG provides smart data solutions: CABS, Billing, Mediation, Customer Care, Plant, Trouble, Service Activation Manager, E-Care, workflow management and third-party financial, mapping and facilities management products, business consulting and hosted back-up services. On-line and licensed options are available. CDG can help you manage information, bill wisely, and grow your business.
